### THE REPLACEMENT COCK X RIVO GIRL

**BELG 01 6524723 BBC-THE REPLACEMENT COCK. DIRECTLY IMPORTED AND BRED BY STAF VAN REET. PURCHASED FROM J&A CARRINGTON SALE WHERE HE WAS REF A. OUTSTANDING SVR PRODUCER. (EXERT FROM SALE CATALOGUE J&A CARRINGTON)**

Bred by Staf Van Reet, Mol (Belgium). This cock is 'one-in-a-million'. He not only breeds top Fed birds but his children are super breeders. His first son bred in Australia bred two Fed winners in his first year at stock! He is a full brother to Jason Stig's famous 'Good Body Cock' his best breeding cock and his nest mate the 'Big Wattle Cock' Ref B. The 'Good Body Cock' in turn is the sire of Mark Koulouris' best breeding cock. Super gene's in this line, have a look at his pedigree! Remember nothing was raced off this cock in 2005 (2004 rings) as Jason didn't fly that year and then in 2006 (2005 rings) we moved to Wollongong and weren't able to breed from any birds at all.
